

CONFIDENTIAL

Chief, Communications Division

31 August 1948

Acting Chief, FBIB

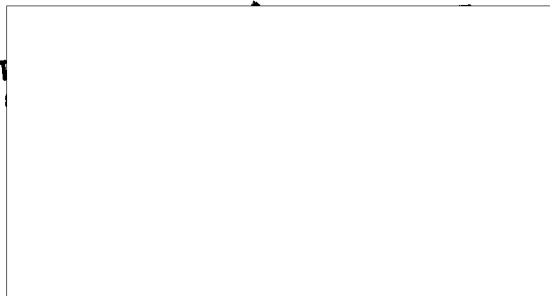

Strategic Air Use of 9730 kcs.

1. Appreciation is expressed for Communication Division's successful intercession in curtailing interference by Strategic Air Command with reception of the Leipzig Radio on 9730 kcs., as evidenced by correspondence forwarded 26 August 1948.

2. If at any time a clear channel during the periods specified is no longer required, information to that effect will be transmitted without delay.
